

Offering a participant directed service for money management

that promotes optimum choice, health, safety, and stable community living.

Make a valuable decision... partner with Sunrise.

Our Partnership

We work hard to earn your trust by putting your needs at the forefront of all financial decisions. Our goal is to promote optimum health and safety by expanding options for care. We do this by helping you direct, manage and use Medicaid, Veterans, Social Security, and other funds. By partnering with Sunrise and using us as a conduit to achieve financial goals, you will have an increased level of confidence and a better understanding of your financial situation.

Sunrise, Your Partner

Sunrise has been around for over 30 years. We're a stable, trustworthy company that takes pride in the services we offer. We are focused on your well-being, promoting your choice and your direction in regard to money management to help you engage the best care possible.

Benefits of Partnering with Sunrise

- Specialized, caring professionals
- Insured and bonded to the full amount of managed funds
- Established network enables cost effective purchasing

You will experience:

- Increased financial security
- Access to expanded choices and wider alternatives for your care
- Improved knowledge to manage and fund your care options
- A higher level of participation in your community
- More control over the state services that you are eligible for
- Elimination of late bills, collection notices and eviction notices

Financial Management and Payee Services

Sunrise will be an advocate in helping you create and direct a financial plan. Services include:

- Budgeting
- Monitor spending
- Managing finances
- Education
- Writing checks & bill paying
- Maintaining records & balancing accounts
- Purchasing

Service provided in cooperation with DSHS Washington, New Freedom, Veteran Directed Home Services, Social Security Administration, private pay and other payers.
