

Lighting the path of hope, resilience and true recovery for individuals struggling with chemical dependency.

Make the right decision... partner with Sunrise today.

Our Partnership

You are the most important partner in this relationship. We are here to assist and support you through an open, honest and positive approach. Our focus is simple—to provide you with the tools necessary for a full recovery. This includes individualized treatment plans with proven success. Your privacy is important to us and we are committed to a strict standard of confidentiality. Sunrise will also connect you with legal, employment, and family services if you or your loved ones need additional guidance.

Sunrise, Your Partner

Sunrise Services, Inc. has been around for over 30 years. We are licensed by the State of Washington to provide both chemical dependency and community mental health treatment. We select our Chemical Dependency Professionals and Trainees carefully and hold them to the highest standards.
